

- Are you sick of replacing towels and linen when it walks out the door?
- Are you sick of skippers or runners who don't pay their bills?
- Are you worried about Credit Card Fraud?
- Do you want to stop the traveller who thinks it is their right to souvenir everything that isn't nailed down? **WELL IT IS NOW TIME TO TAKE CONTROL OF YOUR ASSETS AND LIVELIHOOD!**

guestTRAX® is your Risk Management Offender Recording System, specifically designed for the Accommodation Industry! Your own CRIME PREVENTION SYSTEM!

guestTRAX® can help stop all the above things happening. How it works is from the flow of information from you, the Accommodation provider. You are the most important key to the reduction of crime against the industry, but no-one else wants to help, so this is where guestTRAX® steps in.

By providing the information to our database, it enables us to deliver that information across the country to ALL interested stakeholders.

We also provide quality information to you, to assist you in making a valued judgment of who to accept in your property. members, irrespective of whether they are a chain member, Motel Owner, Hotel Manager, Caravan/Holiday Park Operator, Backpacker, or BNB or in fact any type of Accommodation provider just trying to make a living.

Crims do not discriminate, they don't worry about politics. They just want to get as much for nothing as possible.

Join us now and help eliminate your losses, and save your hard earned profits from driving away.
